

Dermo-cosmetic

IDEALDERM®

About us

IDEALDERM has specialized on high quality dermo-cosmetic products for facial skin.

IDEALDERM manufactures and distributes dermo cosmetics in more than 30 countries, including professional peels, based on intensively effective ingredients.

Dermo cosmetics products are skin care products that have been developed with the latest pharmaceutical knowledge in mind.

OUR PHILOSOPHY:

We have focused our company philosophy and competences on offering our customers high quality products at very fair prices:

- highest quality, which meets or exceeds the best comparable products
- highly effective ingredients with proven efficacy
- ideally hypoallergenic, dermatologically confirmed skin tolerance and formulated without the addition of questionable paraben.

OUR COMMITMENTS:

- Highly qualified personal care and advice
- Professional, exclusive, high quality and innovative cosmetic products
- Easy, fast and secure order processing and payment systems

With more than 10 years of research, we are able to provide the best dermo-cosmetics skin care products in the professional field.

IDEALDERM means constant communication and exchange of experience with dedicated professionals in dermatology, physicians, pharmacists, biologists and analysts who have dedicated their research to the development of skin care products.

Our requirements on our products are effectivity and very good compatibility on the highest level. The result is the possibility, to offer cosmetic products for all skin types with a adjusted pH value.

For example skin that tends to acne, or dry skin or wrinkle formation, as well as prevention and care of skin diseases for example pigmentation disorders, rednesses and so on.

- 15) **IDEALDERM WHITE**
Optimal combination of active ingredients against pigmentation disorders.

PowerTox® Filler

**The cosmetic alternative to micro-injections!
Ideal for filling fine lines and deep wrinkles.**

IDEALDERM PowerTox® Filler contains highly concentrated hyaluronic acid (high and low molecular weight). It is a natural component of the skin. Its concentration decreases with the years.

This active ingredient penetrates the skin, captures water and increases its volume, thus promoting the filling of wrinkles.

Its formula also contains vitamin C which increases the luminosity of the skin and improves its firmness. It also strengthens its natural defenses against external agents.

- Low molecular weight hyaluronic acid: penetrates the deep layers of the skin, improves its elasticity and fills wrinkles.
- High molecular weight hyaluronic acid: stays on the surface creating a film that prevents drying of the skin and increases the epidermal hydration.
- Vitamin C: anti-free radicals
- Organic silicon: firming & anti-wrinkle effect
- Glycolic acid: stimulates the renewal of the epidermis
- Gel Aloe Vera: moisturizing and regenerating
- Ginkgo biloba: antioxidant
- Complex of botanical extracts (Camomile, Mistletoe, Melissa, Achillea, Fennel, Hops): soothing effect
- Urea: moisturizing function + soothing effect
- Allantoin: moisturizes, softens and regenerates skin tissues.

- ...

IDEALDERM LIFT

Innovative care "Lifting Effect"

You would like to restructure your skin, reduce the volume of your wrinkles, and counteract the inversion of the beauty triangle and the accentuation of negative expressions in only 14 days?

So this range of product is made for you!

Our LIFT products are designed to prevent and treat sagging of facial features due for instance to skin aging, sun damage or weight loss. They provide the skin with moisture and freshness.

These products contain high concentrated active ingredients that are optimal to revitalize and regenerate the skin.

They are ideal to:

- fight against loosening of the skin, firm it up and give it lasting elasticity.
- soften and smooth the signs of aging such as wrinkles.

Lifting & Firming Serum

Against the signs of fatigue and wrinkles. Firming effect.

2.5% DMAE, 5% organic silicon, 5% lactic acid, retinol, vitamin C, hyaluronic acid.

Lifting Cream SPF 20

Ideal to reduce wrinkles and firm the skin while moisturizing it.

High content of hyaluronic acid, 2% Matrigenics 14G, 1% organic silicon and vitamin E.

IDEALDERM C+

Highly concentrated vitamin C + Revitalizes the skin and gives it brightness

With its highly concentrated active ingredients, the properties of IDEALDERM C+ are considered pioneers in cosmetics.

IDEALDERM C+ maintains the radiance and suppleness of the skin, prevents the skin from photo-aging and protects it against free radicals.

C+ Serum

Facial elixir to reduce the signs of aging and wrinkles with 15% L-ascorbic acid (very high purity Vitamin C, by far the most effective) + 5% moisturizing agents + hyaluronic acid + retinol + coenzyme Q10 + ...

C+ Cream

Moisturizes, nourishes and revitalizes the skin for a glowing skin. Contains: Vitamin C + & Fresh Vitamin C + Organic Silicon + Green Tea + Aloe Vera + UVA & UVB Solar Filters.

IDEALDERM Vitamin Cocktail

A great vitamin cocktail for your skin ideal to revitalize, invigorate and tone the face skin

Ideal to revitalize, invigorate and tone the skin, but also to protect and soothe it. Thanks to the vitamins, the skin appears brighter and the complexion can be clarified.

The active ingredients of this range of products are perfect if you want to:

- **During the day:** Protect your skin from damage caused by UV rays, pollution, stress or tiredness.
- **At Night:** Reduce wrinkles, regenerate your skin and give it a radiant and fresh appearance.

Face, neck and décolleté:

Wrinkles, fine lines, skin aging, loss of elasticity and vitality, pigmentation disorders, dryness.

Contour of the eyes and the lips:

Dark circles, puffiness, wrinkles and fine lines, skin aging, dryness.

COLLAMASK®

Rediscover the freshness and the youthful appearance of your skin!

COLLAMASK® is a unique range of dermo-cosmetical products to fight against the main problems of the skin.

It takes care of your skin with precious and natural ingredients!

This intensive care moisturizes and regenerates the skin. It stimulates the synthesis of collagen and elastin, which strengthens the epidermis. COLLAMASK® improves the appearance and elasticity of the skin. It helps fight the signs of aging.

COLLAMASK® FACE MASK contains the exclusive PowerTox® Complex with active anti-aging ingredients. An ideal moisturizing and regenerating agent to strengthen and preserve the elasticity and firmness of the tissues.

Active ingredients: Coenzyme Q10, Retinyl acetate (vitamin A, stable form of retinol), Vitamin E, soluble Collagen extracts from natural Peat, Jojoba oil, Shea Butter, Lactic Acid, Panthenol (a form of vitamin B5) ...

COLLAMASK® EYE CREAM is the ideal cream for the fine and sensitive skin of the eye area.

Its incomparable formula helps reduce wrinkles, puffiness, dark circles and dryness of the eye contour.

Active ingredients: Collagen, Retinol, Caffeine, Hyaluronic acid, Vitamin E, Holly extracts (Ruscus), Panthenol (a form of vitamin B5), Shea Butter, Allantoin, Lactic Acid, Silicon, ...

 Natural cosmetics

IDEALDERM 3A

- ...

Extreme Tolerance:

- 0% of dyes
- 0% alcohol
- 0% paraffin
- 0% synthetic ingredients
- 0% of ingredients of animal origin
- Formulated without addition of questionable parabens
- Skin tolerance confirmed dermatologically (dermatological quality label "very well tolerated by the skin")
- Ideal for all skin types (even for very sensitive skin)
- Ideal complement to serum IDEALDERM Vitamin Cocktail V11

POWERMASK

Wonderful, our POWERMASK Peel-off Masks are like a second skin!

Our range of POWERMASK peel-off masks offer the ideal solution to most skin problems. IDEALDERM POWERMASK provide the perfect care to firm the skin of the face, to brighten it, to cure imperfections or to prevent and help tired or dull skin,

- Each mask is freshly applied and can be removed without residue in one piece at the end of the application time.
 - The consistency of the masks creates an occlusion effect, which enhances their effectiveness.
 - The cosmetic bowl and spatula provided make handling extremely simple and hygienic.
 - All the POWERMASK are without added preservatives.
- **WHITE:** Optimal combination of active ingredients against pigmentation disorders with vitamin C, grapes, blackberries, saxifrage and skullcap extracts
 - **LIFTING:** An ideal regenerating and refreshing treatment with Menthol, Spirulina (algae extract), Vitamin E, C and A.
 - **ANTI-AGE:** Moisturizing and anti-aging treatment. A highly effective vitamin cocktail based on acerola and vitamin C.
 - **DETOX & CLEAR:** For oily and acne prone skin with tea tree oil, lime and willow extracts and menthol.
 - **PowerTox®:** To smooth wrinkles and lines of expression. Contains extracts of alginate and hibiscus (natural oligopeptide extract).
 - **EYE CARE:** This mask enhances the radiance of your eyes with natural ingredients as alginate, rice powder, marine collagen and rose essential oil. It reduces the signs of tiredness and aging of the eye contour.

Many other Peel-off masks are available on www.idealderm.com!

COLLAMASK®

Face and neck fabric masks
to keep your skin young and fresh

CollaMask® face and neck masks are generously enriched with 23 ml of high concentrated serum.

Already after the first application, the condition of the skin can be visibly improved to achieve a soothing and smoothing effect.

Innovation:
a specifically optimised design
for an immediate tensor effect!

CollaMask has 4 ear hooks to preserve,
maintain and strengthen its effect.

COLLAMASK® ANTI-AGE

Try it and adopt it!

Fine lines and wrinkles are reduced, while hydration, firmness and elasticity are reinforced.

Impregnated with hyaluronic acid, a lifting agent (Osilift®) and apple stem cells.

COLLAMASK® MOISTURIZING

Regenerating and moisturizing ingredient combination!

Intensive treatment for dry and sensitive skin, also ideal for all other skin types.

Rich in vitamin E and collagen.

COLLAMASK® DETOX & CLEAR

PEELING EFFECT!

Ideal for oily and mixed skin with pimples and blemishes.

Impregnated with active charcoal + IDEALDERM® DETOX & CLEAR complex of active ingredients.

IDEALDERM ROSA

Skin's redness

The main active ingredient of IDEALDERM Rosa Gel is Azeloglycine, which reduces redness, enlarged pores, blackheads and impurities due to its anti-bacterial properties. It also contains Vitamin E, which protects the skin against free radicals and fights inflammation.

In addition, Glycerin helps reduce stains and impurities, soothes the skin and maintains its balance.

Effects of active ingredients:

- Reduce existing redness and prevents their formation
- Fight inflammations and impurities
- Anti-bacterial properties
- Balance the pigmentation of the skin
- Anti-aging and anti-wrinkle properties

IDEALDERM CLEAR

Ideal range of products for oily or mixed skin with pimples or impurities.

Formulated to clear clogged pores, eliminate cell debris, absorb excess sebum and also reduce its production. Say goodbye to skin imperfections!

An effective combination of active ingredients against imperfections: These products contain salicylic acid, which has keratolytic, comedolytic and bacteriostatic properties. It helps the skin regulate sebum production and regenerate.

Effects of active ingredients:

- Relieve inflammatory and non-inflammatory acne
- Help to unclog pores
- Soften acne scars
- Skin becomes smoother and evener

- CLEAR GEL CREAM:

5% niacinamide + 1.5% salicylic acid + 7% of a moisturizing and sebo-regulating complex.

- COLLAMASK® DETOX & CLEAR:

Impregnated with active charcoal + the IDEALDERM® DETOX & CLEAR complex of active ingredients (see page COLLAMASK).

- CLEAR PEELING 50%:

Salicylic acid + pyruvic acid + lactic acid. In production. See the Peeling catalog for more information.

- CLEAR PEELING 30%:

Salicylic acid + azelaic + ursolic + mandelic + lactic + Betaine + Menthol. For more information, see the Peeling catalog.

- DETOX & CLEAR Peel-off Mask:

Tea tree oil + lime and willow extract + Menthol (see page POWERMASK).

IDEALDERM REPAIR

**For especially dry, sensitive skin,
It increases by 15% the skin hydration!**

IDEALDERM REPAIR products are clinically tested and contain the moisturizing agent urea in high concentration + Olea europea fruit oil (olive oil extract) + tocopherol (vitamin E) + tocopheryl acetate (vitamin E acetate) + ...

IDEALDERM REPAIR is a high-quality care product range suitable for all ages, all skin types and, most importantly, for people with problem skin.

IDEALDERM REPAIR offers skin care based on scientific research, dermatological reports and a comprehensive safety assessment.

- Ideal for relief of atopic dermatitis (neurodermatitis, endogenous eczema).
- Can provide hydration for extremely keratinized ichthyosis.
- The sensation of tension in xerosis (extremely dry skin, especially in old age) may improve.
- Ideal for alleviating psoriasis.
- Can positively affect the acid mantle of the skin.
- It is also an ideal post-peel care and after-sun care.

IDEALDERM REPAIR has been tested under clinical supervision for all requirements. Included were all age groups, subjects with a healthy skin, with morbid cornification, with atopic dermatitis, with psoriasis, aging skin, sensitive skin, prone to itching skin, etc.

Overall, it was found that IDEALDERM REPAIR

- is a suitable therapy-accompanying skin care for pathological skin disorders,
- provides decisive care benefits in everyday stressed skin,
- is ideal care for mature skin,
- is very well tolerated by skin irritations.

1. **IDEALDERM REPAIR CREME** (for face)
2. **IDEALDERM REPAIR BODY SERUM** (for legs and body)

IDEALDERM WHITE

**Optimal combination of active ingredients
against pigmentation disorders**

Pigment disorders can have different causes:
too much sunbathing, genetic predisposition, aging, medication or even pregnancy.

The IDEALDERM whitening serum was specially developed to combat such pigment disorders.

The active ingredients of the Whitening complex can help:

- 5% Niacinamide
- 3% Azeloglicina
- 2.5% arbutin or bearberry leaf extract
- 2% exopolisaccharides with a lifting effect
- 0.5% vitamin E
- 0.05% hyaluronic acid
